Who we are: Carolina Small Business Development Fund (CSBDF) is a nonprofit and certified community development financial institution (CDFI). We are passionate and committed to providing support to small businesses across the state. Our Mission is to foster economic development in underserved communities by providing capital, business services, and policy research to support small businesses. CSBDF provides assistance to small business in four major ways: as a partner, as a trusted guide, as an advocate for small businesses, and as an accessible funding source. Our work supports our vision to create economic opportunity for all people.

Nature of Work: The Latino Program Director will have overall strategic and operational responsibility for the CSBDF Latino Program. This position’s responsibilities will include: program development, program delivery, program evaluation, budgeting, and external relationship management. Under the direction of the VP, Business Solutions, the Latino Program Director will achieve Latino Program objectives established by the CEO/President and the VP, Business Solutions with input and recommendations from the incumbent. This individual will review and evaluate services offered and develop new offers to meet the needs of the Latino community through outreach and program activities. This would include identifying and connecting with Latino business community individuals and groups across North Carolina; development, implementation and management of Latino events, workshops, classes seminars and business coaching; coaching, mentoring and developing staff to support lending, coaching and training in Latino communities, and for seeing that CSBDF Latino programs and services are in compliance with all contractual performance, funding, data collection and reporting requirements. The position will provide lending and business assistance services to current and aspiring entrepreneurs. This individual will be expected to work independently and take the necessary initiative to sustain and grow the organization’s lending portfolio. As a Business Solutions Officer this person will also perform the vital role of acting as ambassadors for the organization to a region’s small business community.

Supervision Received/Exercised: Works under the general supervision of the VP, Business Solutions and has no direct supervisory responsibilities.

Essential Job Functions: The following duties ARE NOT intended to serve as a comprehensive list of all duties performed by all employees in this classification. Shown are duties intended to provide a representative summary of the major duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional, position-specific duties.

Latino Programmatic Functional Area:
- Conduct Latino oriented outreach activities. Identify and connect with Latino business community individuals and groups across North Carolina.
Job Description – Latino Program Director/Business Solutions Officer

- Develop Latino events, workshops, classes and seminars, business coaching approaches, and pre-post TA (technical assistance) for new/existing and potential clients.
- Coach, mentor and develop CSBDF staff and volunteers to support lending, coaching and training within the Latino Community.
- Develop annual Latino Program budget and report monthly on budget progress/variances.
- Fundraise for the Latino program, including developing grant proposals and identifying and contacting donors and sponsors.
- Performs other duties as assigned.

Business Solutions Officer Functional Area:

- Provide lending facilitation to clients including business advising/technical assistance, loan application packaging, professional referrals (e.g. accountants, attorneys, insurance agents), group trainings/events, and online resources.
- Lead tracking of activities and efforts associated with grant-funded initiatives, objectives and outputs as well as fee for service contracts.
  1. Be proficient in understanding grant, program, and fee-for-service contract commitments.
  2. Consistently track activities and efforts that support the advancement of commitments to Technical Assistance (TA) interactions.
- Adopt CSBDF loan policy through assistance with loan portfolio management to include collection of financial statements on a periodic basis, annual relationship reviews, collections, loan modifications, and compliance.
- Develop and maintain key business related relationships (i.e. SBTDCs, governments, community banks, chambers of commerce).
- Work closely with CSBDF lending staff to manage and monitor pipeline for Latino business loans.
- Provide technical assistance services to exiting and aspiring small business owners.
  1. Track all technical assistance interactions, trainings, and events for each client in the CRM.
  2. Provide a broad range of customized business assistance to current and prospective lending clients. This includes, but is not limited to, developing an action plan for clients to achieve their goal and following up to monitor client progress and document outcomes; providing general guidance and options in making business management decisions that are consistent with best practices.

Credit/Lending Functional Area:

- Grow the organization’s lending portfolio with the origination of new loans:
  1. Identify and develop lending opportunities in accordance with the organization’s strategic plan and mission.
  2. Proactively build relationships within the assigned portfolio of borrowers through providing technical assistance and financial analysis with a focus on stabilization, growth and expansion.
  3. Review and analyze new small business loan applications from prospective borrowers. This includes all follow up with applicants such as conducting site visits and gathering any/all documentation necessary to assess the loan application.
  4. Prepare underwriting memo or credit memo (including financial analysis) for review and approval by underwriting or loan committee as appropriate. Negotiate loan structure and work with underwriting to prepare commitment letters, discuss loan commitment and requirements with applicant.
Job Description – Latino Program Director/Business Solutions Officer

5. Complete and review the accuracy of records and loan documentation. Review and verify mathematical calculations, maintain lending records, and identify reconciliation errors.

- Create and foster a culture of superior asset quality through assistant management of the organizations loan portfolio.
  1. Support credit operations management of past due clients and workouts within established portfolio performance goals.
  2. Provide all current lending clients with annual (at a minimum) check-ins via phone or site visit. This check in will include collection of business financials and completion of follow up job surveys.

- Promote the role of the organization as a leading contributor to economic development
  1. Represent the organization at community events, and where applicable, serving on invited committees/advisory boards/etc.
  2. Communicate with partner organizations on a periodic basis to keep them updated about the organizations programs and activities.

- Performs other duties as assigned.
